**Re: VMRC #08-1125**

Dear Mr. Marrs:

You have inquired regarding a permit to impact 1.901 acres of non-tidal wetlands, as a result of construction of the Route 7 and Route 607 Interchange in Loudoun County.

Your proposed project does not fall within the jurisdiction of the Marine Resources Commission; therefore, no authorization will be required from this agency. For your information, however, you may need authorization from the U. S. Army Corps of Engineers, Norfolk District, 803 Front Street, Norfolk, Virginia 23510, prior to commencing your project. Your application is currently being processed by this agency.

If we may be of further assistance, please do not hesitate to call on us.

Sincerely,

A handwritten signature in cursive script, appearing to read "Elizabeth Gallup".
